## IMPORTANT: Seagull Schools Tuition Aid Program

### 2021-22 School Year

October 4, 2021

Aloha Seagull Families and Caregivers,

We are very excited to re-introduce our **Seagull Schools Tuition Aid Program** which will allow qualifying families to access scholarships to offset the cost of tuition for the 2021-22 school year. This program is funded through Seagull Schools with help from our generous donors.

As many of you know, it was a priority for us to bring the student scholarships back this year after a brief pause due to the pandemic. We understand that our families can use these scholarships now more than ever.

We strongly encourage families who may qualify for Seagull's tuition aid to apply for this opportunity. An internal Committee will review all qualifying applications. You must be able to show that you have applied for other subsidies or tuition aid to be considered. The application window will commence on Monday, October 4 and run through the end of the month.

Please be aware that the deadline to submit your application for Seagull tuition aid (attached here) and all relevant documents (see P. 2 of the application for a full list) **will be due to Seagull Schools' business office by Friday, October 29 at 3:00 p.m. You can send in applications to: Seagull Schools Financial Aid Department, 1300 Kailua Rd., Kailua, Hawaii 96734 or email them to: [admin@seagullschools.org](mailto:admin@seagullschools.org).**

Please kindly get in touch with any questions by calling our business office at: (808) 261-8534 or by emailing: [admin@seagullschools.org](mailto:admin@seagullschools.org). We look forward to receiving your applications in the near future!
